

2024

PURISIMA MOUNTAIN VINEYARD

GRENACHE

2024 was a fantastic vintage for our Grenache vineyards. The 2024 PMV blends some of the finest blocks on PMV, combining fruit from the original Block 2 with Block 8 and Block 1. A wet winter, hot summer and long, cool fall produced a vintage that is both ripe and rich, yet refined and elegant. Deep PMV Grenache fruit and spice weave through the wine, supported by wonderful texture, fine tannins and juicy acidity.
