2018 Purisima Mountain Vineyard Syrah

A slightly riper vintage than 2017, the 2018 PMV Syrah is loaded with blackberry and boysenberry fruits, chocolate, pepper, and PMV trademark gaminess in both flavor and aroma. Wonderfully rounded texture, with beautiful balance between all its parts – fruit, oak, tannin, acid and alcohol – the 2018 is another hugely successful vintage of PMV Syrah. Drinking very well upon release, the 2018 should evolve beautifully for the next 15-18 years!

Vinous: 94 points

“The 2018 Syrah Purisima Mountain Vineyard is a fabulous wine that captures the essence of Ballard Canyon. Dark cherry, pepper, spice, leather and tobacco are all signatures of a Syrah that balances power, finesse and energy. Lavender, sage and dried herb overtones add an attractive savory character to the finish. Drink 2020 - 2030.”
