## 2019 Purisima Mountain Vineyard Syrah

The cool 2019 growing season produced a very savory vintage of PMV Syrah. Cured meats, game, roasted earth, pepper, blackberry, and coco highlight the aromas of the 2019. Elegant and rounded on the palate (reminiscent of the very successful 2015 vintage), the mouth shows off sweet black fruits, dark chocolate, game, mocha, and pepper with fine tannins that carry the flavor through the very long, savory finish. A bit young and tight upon release, the 2019 should be decanted or aged for the short term and will age beautifully for the next 15-18 years or longer. Crafted from 100% certified biodynamic syrah grapes.

“The 2019 Syrah Purisima Mountain Vineyard is a wild, exotic wine. Blueberry jam, chocolate, spice, leather and licorice fill out the layers effortlessly. This unctuous, heady Syrah shows just how distinctive Ballard Canyon is. A year or two in bottle should help soften some of the harder edges.”

The really good 2019 Beckmen ‘Purisima Mountain’ Syrah was aged in 37% new French oak prior to bottling and immediately gratifies with crushed green peppercorns and smoked meats on the nose, with black currant undertones. The palate is beautifully textured and inviting, loaded with mouth-watering acidity, salty stones and rich dark fruit flavors. Enjoy this beautiful and novel expression of Syrah over the next decade. Drink 2022-2032
