## 2019 Santa Ynez Valley Sauvignon Blanc

Intense, focused, and lifted, the 2019 SYV Sauvignon Blanc jumps out of the glass with notes of lemon, lime, grapefruit, pear, and a hint of passionfruit. This wine is laser sharp in the mouth with candied lemon, grapefruit and passionfruit flavors that are bright and intense. Featuring a great acidity and a long finish that turns juicy, mouthwatering, and refreshing with beautiful mineral and saline flavors that keep you coming back for more.

Impressive Sauvignon Blanc from our certified biodynamic Purisima Mountain Vineyard, harvested from the original Block 1 which was planted in 1997. Dynamite stuff!

### **Vinous: 92 points**

“The 2019 Sauvignon Blanc is a gorgeous wine that melds together expressive, varietal aromatics and a good bit of texture to back it up. Lemon peel, sage, mint and crushed rocks all race through this expressive, inviting Sauvignon Blanc from Steve Beckmen. This is such a classy, polished wine.”
