2020 Cuvee le Bec

Our namesake red wine blend is back with another remarkable vintage! The 2020 Cuvee le Bec is a blend of 51% Syrah, 38% Grenache, 6% Mourvedre, and 5% Counoise, with stunning and dense aromas of ripe red and black fruits, spices, and floral notes. The mouth is filled with more dark fruits and spices which brighten on the back end as the Grenache and Counoise express themselves on the lifted finish. Another very special vintage of the Cuvee le Bec, as balanced and delicious as ever! Drink this now and over the next 12 years.

August 2022

The 2020 Cuvee le Bec (51% Syrah, 38% Grenache, 6% Mourvedre, 5% Counoise) is fabulous. Deep and inky, with terrific energy, the 2020 is so impressive. Juicy black cherry, plum, licorice, leather, mocha and spice build effortlessly. I would prefer to drink this bold, juicy red over the next handful of years, while the fruit remains vibrant.

This bottling always punches way above its price point, and this year's bolder blend of 51% Syrah, 38% Grenache, 6% Mourvèdre and 5% Counoise is no different. Aromas of rose petal, cinnamon, nutmeg and oak spice lead into a tense palate of baked plums and cardamom, with plenty of wood spice on the finish.

April 2022

A blend of mostly Syrah (51%) and Grenache (38%), the 2020 'Cuvee le Bec' reveals medium-bodied black fruit flavors with smoke, leather and shades of garrigue on the palate. The level of mouth-watering acidity adds to the enjoyment. Enjoy this delicious, hard to put down value wine over the next several years. Drink 2022-2028
