2020 Purisima Mountain Vineyard Syrah

Classic PMV Syrah aromas and flavors of black fruits, chocolate, game, pepper, and smoke are ripe and intense in the 2020 wine. Very ripe fine tannins frame the bold flavors and rounded texture. Somehow through all the heat, our fruit retained beautiful acidity which balances out the bold and rich flavors creating an awesome vintage of Purisima Mountain Vineyard Syrah with classic texture and structure. Drinking great now, the wine will age gracefully for the next 12-15+ years.

Vinous: 92 Points

August 2022

The 2020 Syrah Purisima Mountain Vineyard is a powerful, dense wine. Blueberry, blackberry, lavender, melted road tar and spice convey brooding intensity. There's plenty of depth, with huge tannins to match. This virile Syrah is going to require a measure of patience.

August 2022

Blueberries, mulberries, peppery herbs, and some flower notes all emerge from the 2020 Syrah Purisima Mountain Vineyard, a medium to full-bodied, fruit-forward, plush, sexy little gem of a Syrah that will offer loads of pleasure over the coming 4-6 years or more. This was completely destemmed and brought up in 35% new French oak.
