2020 Purisima Mountain Vineyard Viognier

One of our favorite vintages ever for this wine, the 2020 is fantastic and everything we expect out of our Viognier. Outgoing aromas of apricot, honeysuckle, jasmine, white flowers, and a touch of white pepper show the full array of Viognier aromatics. The mouth balances richness and elegance, creaminess with a touch of acid, showing how truly great our Viognier can be. The flavors glide over the palate with stone fruits, apricot, white flower, and a mineral note that finishes incredibly long. We cannot express how excited we are to release the 2020 PMV Viognier! It should continue to drink beautifully for the next 5-7 years or more.

Rich aromas of daffodil and honey-glazed apricot kick off the nose of this bottling. The palate is brisker and more tightly wound, with hints of pineapple and light citrus bubblegum flavors.
