## 2021 Purisima Mountain Vineyard Grenache Rosé

Bright lifted aromas and flavors of watermelon, cranberry, strawberry and citrus highlight the 2021 PMV Grenache Rosé. The cooler vintage provided great acidity that carries the impressive flavors on the very long finish. Our trademark creamy texture and the wines' impeccable balance make this an epic vintage of our Rosé. Drink this now and over the next 2-3 years.

### **Wine Spectator: 90 points**
