VINEYARDS**

## **The Story Behind Cuvee le Bec**

Our largest single production, the Cuvee Le Bec has always been an incredible value wine in our portfolio. A red Rhone style blend of Grenache, Syrah, Mourvedre and Counoise, the core of the CLB is balance. Harvested from vineyards on both our Winery Estate and Purisima Mountain Vineyard, the wine is predominately Grenache and Syrah in most vintages with lesser portions of Mourvedre and Counoise. Based on the Village wines of the Côtes du Rhône, the CLB shows great old world complexity and elegance and ripe California fruit.
