

BECKMEN VINEYARDS

THE STORY BEHIND

Purisima Mountain Vineyard Grenache Rosé

Since our first vintage of Rose in 1995, we have always strived to create a wine in the mold of a great Tavel Rose. Our Rose is crafted from grapes which are grown and harvested specifically for the Rose wine, it is not a made from juice bled off our red fermenters. There is a big difference in this method because instead of manipulating the bleed off juice into rose wine we can harvest grapes with the proper flavor profile, acidity and potential alcohol for Rose wine. Over the years we have incorporated some Syrah, Mourvedre, and Counoise into the PMV Grenache Rose with each vintage being roughly 80% Grenache and 20% Syrah, Mourvedre and Counoise.
