BIODYNAMIC SUSTAINABLE ESTATE GROWN

BECKMEN VINEYARDS

2024 Estate Grenache

– Los Olivos District AVA –

The Story

Our Estate Grenache comes from our oldest Grenache vines, planted in 1995 at the Thomas and Judith Beckmen Estate Vineyard. The site's gravelly, clay-loam soils and warmer temperatures produce the ripest, roundest, and silkiest Grenache in our portfolio, with rich aromas and flavors of kirsch, pomegranate, red fruits, and baking spice.

The Vintage

The 2024 growing season brought more than 30 inches of rain—2.5 times the average—and a cool spring that delayed bud break. Warmer weather accelerated growth, allowing the vines to catch up despite a smaller-than-average crop. An intense late-summer heat wave ushered in an early harvest, with all white varietals picked by mid-September. The resulting wines are fruit-forward, with lush textures and fine tannins, and should drink beautifully upon release.

Winemaking

Clusters were hand-sorted, de-stemmed then cold-soaked for 2 days. Fermented for 12 days with native yeast in tank.Caps were punched down by hand twice daily.

Aging: 18 months in 92% neutral oak puncheons, 8% neutral barrel
