

BECKMEN VINEYARDS

2015 Purisima Mountain Vineyard Grenache Rosé

HARVEST DATE

9/5/2015 – 10/2/2015

HARVEST

2015 was the third straight year in our major drought and one of the warmest years on record. The lingering effects of the drought and heat created a very small crop of intensely flavored fruit with fantastic acidity from the early harvest dates.

WINEMAKING

- Made from Grenache clone #3, Tablas-D, Tablas Mourvedre, Tablas Counoise and Estrella Syrah
- The grapes were destemmed, crushed, and cold soaked for 6-24 hours depending on the lot and variety
- Grapes were then pressed to stainless steel tanks and cold settled for 48 hours
- Juice was racked to neutral barrel and stainless steel after settling
- No malolactic fermentation allowed
- The wine was bottled, lightly fined, and filtered in February 2016

AGING

55% Stainless steel and 45% neutral barrel for 5 months
