2017 Purisima Mountain Vineyard Grenache Rosé

HARVEST DATE

9/29/17 – 10/10/17

HARVEST

2017 was another warm season with much higher than average rainfall for a change. This led to a great season with an average size crop reaching optimal ripeness and a very high quality vintage.

WINEMAKING

- Made from Grenache clone #3, Tablas-D and Estrella Syrah
- The Grenache was destemmed, crushed, and cold soaked for 6-24 hours depending on the lot and the Syrah was direct pressed
- Grapes were then pressed to stainless steel tanks and cold settled for 48 hours
- Juice was racked to neutral barrel and stainless steel after settling
- No malolactic fermentation allowed
- The wine was bottled, lightly fined, and filtered in February 2018
