

BECKMEN VINEYARDS

2018 Purisima Mountain Vineyard Grenache Rosé

HARVEST DATE

10/2/18 - 10/15/18

HARVEST

2018 was a fantastic vintage with almost perfect ripening weather and better than average yields of very high-quality fruit. A later start and end to the harvest brought back memories of a more typical Santa Barbara harvest season compared to the last several years. Another outstanding year!

WINEMAKING

- Made from Grenache clone #362 and Estrella Syrah
- The Grenache was destemmed, crushed, and cold soaked for 6-24 hours depending on the lot and the Syrah was direct pressed
- Grapes were then pressed to stainless steel tanks and cold settled for 48 hours
- Juice was racked to neutral barrel 13% and stainless steel 87% after settling
- No malolactic fermentation allowed
- The wine was bottled, lightly fined, and filtered in February 2019.
