

2021 Purisima Mountain Vineyard Grenache Rosé

2021 was one of the coolest vintages we have had in the last decade. The mild year was a nice change from the warm vintages of the last 10 years, and it kept the fruit in pristine condition for our late harvest that lasted until the middle of November. The cool temperatures allowed us to harvest great quality fruit with beautiful acidity and bright lifted aromas and flavors. The high acidity and structure should allow these elegant wines to age gracefully for years to come.

Composition	Vineyard	Harvest Dates
79 % Grenache 21 % Syrah <i>Certified Biodynamic</i>	Purisima Mountain Vineyard <i>Ballard Canyon A/V</i>	09/14 - 10/14

Winemaking & Aging

- Made from Grenache clone #362 and Estrella Syrah.
- The Grenache was destemmed, crushed, and cold soaked for 6-24 hours depending on the lot and the Syrah was direct pressed.
- Grapes were then pressed to stainless steel tanks and cold settled for 48 hours.
- Juice was racked 36% to neutral barrel and 64% to stainless steel after settling, aged for 5 months.
- The wine was bottled, lightly fined, and filtered in February 2022.

Analysis	Production
ALCOHOL: 13.4 % PH: 3.38 TOTAL ACIDITY: 6.1 g/L	1,400 cases

Tasting Notes

Notes of watermelon, cranberry, strawberry and citrus.

Release Date	Drinking Window	SRP	UPC Code
March 2022	2022 – 2027	\$29	71368499578
