

## 2021 Santa Ynez Valley Sauvignon Blanc

2021 was one of the coolest vintages we have had in the last decade. The mild year was a nice change from the warm vintages of the last 10 years, and it kept the fruit in pristine condition for our late harvest that lasted until the middle of November. The cool temperatures allowed us to harvest great quality fruit with beautiful acidity and bright lifted aromas and flavors. The high acidity and structure should allow these elegant wines to age gracefully for years to come.

| Composition   | Vineyard  | Harvest Dates |
|---|---|---------------|
| 100% Sauvignon Blanc<br><i>Certified Biodynamic</i> | Purisima Mountain Vineyard<br><i>Ballard Canyon AVA</i> | 09/15 - 10/04 |

### Winemaking & Aging

- Grapes were whole cluster pressed and then cold settled for 48 hours.
- Stainless steel fermented for 30 days.
- Protein stabilized and sterile filtered.
- 100% stainless steel aged.

| Analysis   | Production  |
|--|-------------|
| ALCOHOL: 13.2%      PH: 3.24      TOTAL ACIDITY: 6.4 g/L | 1,700 cases |

### Tasting Notes

Lemon blossom, lime, grapefruit, citrus fruits, lemongrass, dried herbs.

| Release Date | Drinking Window | SRP  | UPC Code    |
|--------------|-----------------|------|-------------|
| March 2022   | 2022 – 2029     | \$25 | 71368499200 |
